*FREE Literacy diary entry text examples and resources to use in the Primary The hilarious and original global bestseller Diary of a Wimpy Kid - perfect for.*

Patty gets frustrated, and Greg starts throwing props at Patty. Before the Diary of a Wimpy Kid books were published, stories from the first three books appeared digitally for free on the website [www.baretreemedia.com](http://www.baretreemedia.com). Thanks to baretreemedia for bringing this to life! After all, Greg says one day he will be rich and famous and the world will need to know how he managed it. As they argue, the teenagers who chased them at Halloween appear and force Greg and Rowley to eat the Cheese. Now it's Rowley's turn to give his side of the story. On one of Greg's tries, the ball gets under the front wheel, which causes Rowley to fall off and break his arm. The first print run for Diary of a Wimpy Kid was 15,000 copies. Kochman brought it before the Abrams publishing board, which convinced Kinney and Kochman that it would be better aimed toward children. Greg's father does not encourage his way of life "playing video games all day" rather than going outside and playing sports. I really liked the illustrations because they were similar to the ones in the Wimpy Kid series, but a little less good which fits in with it being Rowley's first attempt at a journal with his drawings in. Rowley ends up writing a biography for Greg, but he does not give a great impression and it is mostly about himself, not Greg. Published books we recommend! I talked about how I wrote my books. I can't wait to read Jeff Kinney's next book! He watches it, memorizes facts about it, and he's even the captain of the local youth team, North Star Galaxy. Greg lies that he's lactose intolerant, while Rowley is forced to eat the whole thing. Although Greg doesn't treat him very well, they do stay friends. Whether it's the Cheese Touch, a seagull in the car or a terrifying spider, Greg Heffley's misadventures have been enthralling children for years. If someone touches it, they have the "Cheese Touch," which they're stuck with until they pass it on by touching someone else. When Rowley goes to school with a plaster cast, the girls take care of him carrying his books, feeding him food, which makes Greg jealous. Now I have a diary just like my friend Greg At home, Greg's mother forces him into auditioning for the school play based on The Wizard of Oz.
